MARKET OF HOPE PARTNERS WITH LOVE DEAF HAITI INC. FOR MISSIONS SUNDAY

By Carol Wilcox | Love Deaf Haiti President

Did You Know?

- Deaf people are considered the third most unreached people group in the world?
- The Deaf population in Haiti face discrimination because of superstitions, believing they are possessed by evil spirits?
- Deaf Haitians WALK for miles to the Love Deaf Haiti sponsored Deaf Church in Les Cayes to receive the teaching of God's Word (in their own native sign language) fellowship, and often receive their only meal for the day?

All this and more was shared at the recent Market of Hope conference. Different countries were represented through visual presentations. Costumes and the native food of several countries filled the outside air and bellies of those parishioners sharing in the festivities.

It was the **Love Deaf Haiti** booth that stood out to many people. Hands waving and facial expressions were full of excitement to share what is happening amongst the Deaf people in Haiti.

The African drums on the lawn were an additional plus for the Deaf children and adults. The drum vibrations caused spontaneous clapping, dancing and praising God with elation. What a marvelous way for the entire community of believers to share in worship.

Please join me by responding to the admonition from Pastor David Buck's message on that missions Sunday morning. Don't disconnect!! Instead engage more, pray more, give more.

Your giving of time, finances and prayers is an act of worship to our God and a blessing for our Deaf family, church and school in Les Cayes Haiti!! And for that, we are forever grateful!!!!

END-OF-YEAR GIVING

By DeAnn Sampley | Love Deaf Haiti CEO

The **Deaf Haiti** board members continue to be in awe of God's provision and blessing for HIS children in Haiti. As you well know, the Deaf population are considered an unreached people group because less than 2% of the world's Deaf population are Christians. Therefore, we (LDH) continue to press on in providing for the physical, spiritual, and educational needs of the Deaf children and community that we serve in Les Cayes Haiti.

I am NEVER fearful or timid to boldly ask for finances to support such an effective and genuine ministry as **Love Deaf Haiti Inc.**

It's the holiday season, and the end of the year. Many of us are thinking of ways that we can give to Christian nonprofits that are worthy of our hard earned money.
